

# Think **YOU CAN DO Better?!**

**Yeah. So do we.**

**When** was the last time you watched a movie and thought to yourself, “Jeez, I could do better than *that*”? Last week? Yesterday? Five minutes ago?

Well, guess what. Now’s your chance. In case you haven’t noticed, the Australian film industry is *dying* for material. It needs new ideas. Fresh ideas. Why not... *your...* ideas?

Sound impossible? It’s not — not if you write a compelling *screenplay*. And that’s exactly what independent American film producer **Jeff Bollow**, founder of **Screenplay.com.au** and author of **Writing FAST: How to Write Anything with Lightning Speed** is trying to do: Get Aussies writing movies audiences *want* to see... movies that are *worth* developing.

Join him at the acclaimed **F.A.S.T. Screenwriting Workshop™**, and learn screenwriting from the *producer’s* perspective! Come see why over 650 participants (novices and professionals alike) *rave* about this thing, and discover how to leave *your* fingerprint on Australian film. Just be sure to book early!
